PROPERTY: _____
(Name and address) _____

OWNER: _____
(Name and Address) _____

START DATE: _____ **END DATE:** _____

For each snow event in the 2013 / 2014 Season, **{NAME OF CONTRACTOR}** proposes to supply and operate snow removal equipment to clear snow and ice accumulation (including all types of snow removal such as plowing, hand shoveling and snow blowing) and deliver and apply de-icing materials of the Contractor's choice during or immediately after snow and ice are removed from the location(s) designated herein.

Snow removal and de-icing services shall be performed on and/or around the following areas (as applicable to each location):

- Parking areas
- Entrances/exits
- Perimeter roads around parking area
- Public and private sidewalks in and around parking areas
- Public and private sidewalks along entrance/exit roads
- Roadways within parking areas
- Road surfaces around dock/shipping/receiving areas
- Compactor areas
- Generator, generator fuel tanks and
- Outbuildings
- Cart corrals
- Handicap spots
- Sidewalks and emergency door areas
- **{ENTER SITE SPECIFIC DETAIL}**

Upon acceptance of this proposal, **{PROPERTY OWNER}** shall pay **{SEASONAL RATE}** each **{PAYMENT FREQUENCY}** for **{NUMBER OF MONTHS OR WEEKS}** commencing the **{DAY}** of **{MONTH, YEAR}** in consideration for providing the snow removal services described hereto.

With prior approval, the Contractor shall truck and deposit snow and ice to an off-site location at a predetermined labor and transportation cost. Sales tax is not included in the cost of this proposal.
